

THE CRAFT OF FLOORING INSTRUCTIONAL DVDs WITH JIM WALKER AND THE CFI TEAM

Jim Walker and the CFI Team are known worldwide as the industry's installation trainers. Whether training one installer, a workroom of installers, a roomful of flooring associates or using a "train-the-trainer" program, this DVD collection **Demonstrates the Details** of the installation of carpet, wood, tile, resilient, laminate and other niche flooring in an extensive and easy-to-repeat format.

This series pays for itself in reduction of recalls and enhances confident, customer service skills.
DVD Resource Library includes...

Carpet - Laminate - Tile - Finished Wood - Resilient - and other niche flooring

Designed for both NEW SKILLS and ADVANCED SKILLS LEARNING Installation Training Programs
